

INSTITUTO LELOIR
FUNDACIÓN

OPEN POSITION: GROUP LEADER/ DIRECTOR OF NMR FACILITY

Requirements:

- Strong background in NMR spectroscopy, comprehensive knowledge of NMR hardware and software.
- Experience in the area of structure-function of macromolecules by NMR
- Outstanding productivity in the area
- Ability to lead a research group with an innovative independent project
- Capacity to integrate into a multidisciplinary environment of research groups working in the life sciences
- Involvement in teaching and training of human resources

We provide:

- Laboratory space for molecular biology/biochemistry work
- Facility including a Bruker 600 MHz NMR equipped with a Cryoprobe
- Access to institutional equipment for cell biology, biochemistry and structural biology studies
- Startup grant to be defined
- Argentinean candidates must hold (or apply for) a position at the National Council for Research on Science and Technology (CONICET).
- Foreign candidates will have the opportunity to have a position in the National Council for Research on Science and Technology (CONICET) through a mechanism that will be discussed in the interview

Send resume and three reference letters to Luis Ielpi, Leloir Institute Foundation.

E-mail: lielpi@leloir.org.ar.

How to submit your application:

Send a cover letter together with a CV and a statement of current and future research plans and a proposal for running the facility to lielpi@leloir.org.ar. Three letters of reference should be sent to the same e-mail address. In addition, we require the candidates to register on our website (click here or visit <http://www.leloir.org.ar/>).

INSTITUTO LELOIR
FUNDACIÓN

Details of the procedure:

Applications will be evaluated by a Selection Committee and prospective candidates will be invited to visit the Institute Leloir. There is no deadline for reception of applications. The process will be closed once the selection committee considers that the position has been filled.
